

# Ring Size Guide

[martinbreitfellner.com](http://martinbreitfellner.com)

1. Print this page at 100% scale (do not scale to fit).
2. Place a ring you already own on the circles below.
3. Match the inside edge of your ring with the circle outline.
4. The number inside the circle is your EU size.
5. Alternatively, use the ruler check below to measure your own ring.

Ruler Check (50 mm):

For accurate results, ensure this page prints at 100% scale.
